Gentlemen:

This modifies our letter of the above date in which we stated that you would be treated as an organization which is not a private foundation until the expiration of your advance ruling period.

Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Internal Revenue Code, because you are an organization of the type described in section 509(a)(1)*. Your exempt status under section 501(c)(3) of the code is still in effect.

Grantors and contributors may rely on this determination until the Internal Revenue Service publishes notice to the contrary. However, a grantor or a contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act that resulted in your loss of section 509(a)(1)* status, or acquired knowledge that the Internal Revenue Service had given notice that you would be removed from classification as a section 509(a)(1)* organization.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

W. A. Corbett

District Director

Dear Sir or Madam:

This is in response to your January 31, 2013, request for information regarding your tax-exempt status.

Our records indicate you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in September 1964.

Our records also indicate you are not a private foundation within the meaning of section 509(a) of the Code because you are described in sections 509(a)(1) and 170(b)(1)(A)(vi)
.
Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/charities for information regarding filing requirements. Specifically, note that section 6033(j) of the Code automatically revokes the tax-exemption of any organization that fails to satisfy its filing requirement for three consecutive years. The automatic revocation of exemption is effective as of the due date of the third required annual filing or notice. The IRS maintains a list of organizations whose tax-exempt status was automatically revoked at IRS.gov.

If you have any questions, please call the phone number in the heading of this letter.

Sincerely,

Kenneth Corbin
Acting Director,
Exempt Organizations

PBS SOCAL
KOCE IS YOUR PBS

April 5, 2019

Hello,

I am the producer of a weekly arts and culture program broadcast on PBS SoCal entitled "LAaRT", a magazine style program that highlights a wide array of creative endeavors. We are looking to film a small amount of b-roll at Vasquez Rocks on Friday April 26th for an upcoming story about a local photographer.

Our crew is very small, three people and a camera. There will be no heavy gear, no lighting equipment, nor large vehicles. We will only be on site for about an hour. I have been working closely with the folks at Vasquez.

They have directed me to your office to make the appropriate arrangements. As a PBS station, we are a 501c3. I have attached a copy of our designation with this letter. I am also happy to provide an insurance rider valid for the day of filming.

Needless to say, as a Public Broadcasting station, we have an extremely limited budget.

I look forward to hearing from you and am happy to answer any additional questions you may have.

Sincerely,

Maria Hall-Brown
